APPLICATION FOR QUILT SQUARE SPONSORSHIP
(no barn identified)

Sponsor Name: _____

Mailing Address: _____

Phone # _____ **Email** _____

Details of Sponsorship – Please describe your reason for sponsoring – it could just be a general sponsorship because you love barns and quilts, in honor or in memory of someone, because this quilt has special meaning to you, etc.

As a sponsor, you have the option to **choose the design**, or you may allow the barn owner to choose. If you choose the design, we will make an attempt to find a suitable barn and barn owner who is willing to hang your barn quilt. Sometimes it takes time to find a good fit. You can also work with a barn owner to find a mutually agreeable design and color scheme ahead of painting. All blocks will be researched to be sure they are copyright/trademark free. A design catalog is available with assistance from the Block Committee, if needed.
