“Scrap Therapy” Quilting Retreat

Friday,
September 21, 2012
Bittinger, Maryland

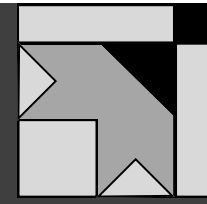

Part of the
3rd Annual
Barn Quilt Festival

Never Quilted Before? An Expert Quilter? Somewhere in the Middle?

This "Scrap Therapy" Retreat is for YOU!

Come learn what to do with all those fabric scraps at a fun day filled with new friends!

Morning Classes 9:00 am to Noon

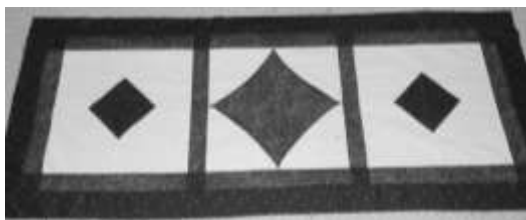

Tossed Nine Patch *Instructor: Sue O'Neal*

Participants will make a Tossed Nine Patch quilt top. They will rotary cut block patches, assemble nine patch blocks using a standard 1/4" seam allowance on their sewing machine, modify these blocks and rearrange them into the tossed nine patch format. Blocks will be assembled and borders will be measured, cut and attached as time allows.
Cost of class \$30 – materials not included.

10 Minute Block *Instructor: Elizabeth Sheppard*

Students will learn how to make a three seam "10 Minute Block" and incorporate the blocks into a table runner. They will also learn how to make the blocks look different by turning the edges of the block and stitching with their favorite decorative stitch. Sashing and borders will be added as desired.
Cost of class \$30 – materials not included.

Log Cabin Tote Bag *Instructor: Nancy Hoffman*

Participants will cut and sew a "Log Cabin" quilt block that will be incorporated in making a handy Tote Bag.
Cost of class \$25 – materials not included.

Afternoon Classes 12:30 to 3:30 pm

"So You Think You Want to Quilt" *Presenter: Sue O'Neal*

This class offers information, discussion and some minor hands-on work. You will receive a review of what it entails to make a quilt including fabric selection, threads, what to look for in a sewing machine, various quilting tools and much more. You will have a demo and allow some practice of rotary cutters, rulers and basic quarter in seams. Included will be a discussion on piecing, appliqué and actual quilting. There will be sewing machines available with some scrap fabric for practice if so desired.
Cost of class \$20 – all instruction and practice materials provided.

Fabric-Wrapped Baskets *Instructor: Maggi Coene*

Students will learn the basic technique for making a fabric-wrapped basket. In addition there will be tips and techniques for enhancing your work. Kits will be provided for making one basket. Each student will take home a finished project.
Cost of class \$50 per student includes all materials.

English Paper Piecing *Instructor: Janet Collins*

A Take-Along Project! This technique is for those who love hand work. It is a wonderful take along project, very accurate and fairly easy.

Cost of class \$40 – materials included
